Attest: W. J. Williams,
[Seal] Clerk of District Court.

RENEWED TESTIMONY

No one in Wa-Keeney who suffers backache, headaches, or distressing urinary ills can afford to ignore this Wa-Keeney man's twice told story. It is confirmed testimony that no Wa-Keeney resident can doubt.

J. H. Poffenberger, proprietor of barber shop, Wa-Keeney, says: "Two boxes of Doan's Kidney Pills, procured at W. W. Gibson's Drug Store, stopped the dull ache and soreness in the small of my back, which had annoyed me for several months. They also made the secretions pass regularly. I was astonished at the good results as other medicines I had tried had done me no good." (Statement given April 13, 1907.)

RE-ENDORSEMENT

On February 2, 1915, Mr. Poffenberger said: "Time has not changed the good opinion I hold of Doan's Kidney Pills. I recommend them as highly today as I did a few years ago."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that J. H. Poffenberger had. Foster-Milburn Co., Props., Buffalo, N. Y.

A very peculiar accident occurred to the infant daughter aged ten months, of Mr. and Mrs. Hoffer of Adair township. Several months ago the baby swallowed a hair pin and the little one always acted as though there was pain and discomfort in the throat, any effort to remove it seemed futile, but a few days ago the child swallowed a small button hook. Much alarm was felt, but it proved to be a most fortunate accident for the button hook caught into the hair pin in such a manner as to dislodge it and both were carried through the intestinal tract and expelled.

Miss Maud Morgan spent several days in Hays the first of the week. She says Hays is a "punk" town.

Why We Are Opposing A Government Armor Plant

To the People:

Some people say that the very fact that the Bethlehem Steel Company is so aggressively fighting the proposal to build a Government armor plant is conclusive proof that the Company is seeking to assure for itself the "vast profits" derived from private manufacture.

The fact is that armor making is the least profitable feature of steel manufacture.

The reason we oppose a Government plant is very simple. It is this:

Even though there is but little profit in the making of armor, we have invested over \$7,000,000 in our armor plant;

That plant is useless for any other purpose; if a Government plant is built the usefulness of our plant is destroyed.

It would be good business for us to make armor for the Government at any price over and above the actual shop cost, RATHER THAN SACRIFICE OUR ENTIRE INVESTMENT.

We do not seek to save big profits; our purpose is very frankly to save our armor plant—itsself built solely for the use of the Government—from going to the scrap heap.

To do that, we are prepared to agree for any period to any terms of manufacture which the Federal Trade Commission shall say absolutely protects the Government of the United States.
